

## **Full Survey (English Translation)**

Glossary:

RU = Single answer

RM = Multiple response

RO = Ordered response (ranking)

RA = Open answer

RN = Numerical response

### **CHARACTERIZATION AND FILTERS**

#### **Gender (RU)**

- a. Male
- b. Female

#### **What's your age group? (RU)**

- a. Under 18 years old
- b. 18 to 24 years
- c. 25 to 29 years
- d. 30 to 39 years
- e. 40 to 49 years
- f. 50 to 55 years
- g. 56 years or older

#### **What state do you live in? (RU)**

List of UFs

#### **The neighborhood you live in is... (RU)**

- a. Within the state capital
- b. In the greater metropolitan area
- c. Elsewhere in the state

1. **We are researchers at the University of Kent. The general topic of this study is the "current issues in Brazilian society".**

**During the survey you will be asked how you are handling the current situation, and you will be asked about health and current affairs.**

**The most important thing for the success of our research is that you answer honestly. When you don't know an answer, give it your best guess. By answering the questions, you will be contributing to the understanding of the behavior of Brazilians during the pandemic.**

**The survey is anonymous; your name will never be registered and nor will we be able to associate with you the information you provide. Reported results will only include aggregated data and you will never be identified. If you have any questions about this study, please contact us by [email: econsaudeBR2020@kent.ac.uk](mailto:econsaudeBR2020@kent.ac.uk)**

**Your participation in this study is purely voluntary. (RU)**

1. I agree to participate
2. I do not agree to participate

**2. Which of the alternatives below best describes the present monthly income of your household? Please consider the sum of the income of all residents. (RU)**

- a. Less than R\$ 2,101
- b. From R\$ 2,101 to R\$ 2,250
- c. From R\$ 2,251 to R\$ 2,400
- d. From R\$ 2,401 to R\$ 2,550
- e. From R\$ 2,551 to R\$ 2,700
- f. From R\$ 2,701 to R\$ 2,850
- g. From R\$ 2,851 to R\$ 3,000
- h. From R\$ 3,001 to R\$ 3,150
- i. From R\$ 3,151 to R\$ 3,300
- j. From R\$ 3,301 to R\$ 3,450
- k. From R\$ 3,451 to R\$ 3,600
- l. From R\$ 3,601 to R\$ 3,750
- m. From R\$ 3,751 to R\$ 3,900
- n. From R\$ 3,901 to R\$ 4,050
- o. From R\$ 4,051 to R\$ 4,200
- p. From R\$ 4,201 to R\$ 4,350
- q. From R\$ 4,351 to R\$ 4,500
- r. From R\$ 4,501 to R\$ 4,650
- s. From R\$ 4,651 to R\$ 4,800
- t. From R\$ 4,801 to R\$ 4,950
- u. From R\$ 4,951 to R\$ 5,100
- v. More than R\$ 5,100

**3. In which month were you born? (RU)**

- a. January
- b. February
- c. March
- d. April
- e. May
- f. June
- g. July
- h. August
- i. September
- j. October
- k. November
- l. December

**4. What is your color or race? (RU)**

- a. White
- b. Black
- c. Asian (Japanese, Chinese, Korean, etc.)
- d. Mixed / Parda (mulata, cabocla, ou mestiça )
- e. Indigenous
- f. Other (please indicate)

**5. What is your highest level of education? (RU)**

- a. No education
- b. Incompleted fundamental school
- c. Completed fundamental school
- d. Incompleted high school
- e. Completed high school
- f. Incompleted college
- g. College degree
- h. Postgraduate, Master's or Doctorate

**6. What's your marital status? (RU)**

- a. Single
- b. Married
- c. Living with a partner
- d. Divorced
- e. Widow
- f. Prefer not to say

**7. Including you, how many people live in your household? (RU)**

- a. I live alone
- b. 2 people
- c. 3 people
- d. 4 people
- e. 5 people
- f. 6 people
- g. 7 people
- h. 8 people
- i. 9 people
- j. 10 people
- k. More than 10 people

**8. Among the people living in your household, please indicate if any fall into the age groups below. Please select all the alternatives that apply. (RM)**

- a. Someone who lives in my household is 1 year of age or less
- b. Someone who lives in my household is between 1-2 years old
- c. Someone who lives in my household is between 3-5 years old
- d. Someone who lives in my household is between 6-8 years old
- e. Someone who lives in my household is between 9-11 years old
- f. Someone who lives in my household is between 12-14 years old
- g. Someone who lives in my household is between 15-17 years old
- h. Someone who lives in my household is between 18-20 years old
- i. Someone who lives in my household is between 20-30 years old
- j. Someone who lives in my household is between 30-60 years old
- k. Someone who lives in my household is between 60-70 years old
- l. Someone who lives in my household is between 70-80 years old
- m. Someone who lives in my household is over 80 years old
- n. Prefer not to say

**9. Does any person living in your household have any of the following illnesses? Please select all the alternatives that apply. (RM)**

- a. Diabetes
- b. High blood pressure / hypertension
- c. Heart disease
- d. Asthma or any chronic respiratory condition
- e. Allergies
- f. Cancer
- g. Other chronic diseases requiring long-term medical treatment
- h. None of the above
- i. I don't know
- j. Prefer not to say

**10. For whom did you vote in the second round of the last presidential election? (RU)**

- a. Jair Bolsonaro
- b. Fernando Haddad
- c. I "nulled" my vote
- d. I didn't vote
- e. Prefer not to say

**11. Before the pandemic (in February 2020), in which of the following activities did you engage in a normal week? You can select more than one option. (RM) [Randomize order of answers]**

- a. Go to the hairdresser or barber
- b. Use public transport to go to work
- c. Use public transport to go to the hospital or to go shopping
- d. Use public transport for leisure
- e. Attend a family dinner outside my home

- g. After some physical contact (for example, after shaking hands) with people who do not live with me
- h. After touching surfaces such as door handles or lift button
- i. After using public transport
- j. After returning home from outside
- k. On some other occasion
- l. Prefer not to say

**15. In the last two weeks, how often have you or other members of your household left home to go shopping? (RU)**

- a. Not at all
- b. 1 time
- c. 2 times
- d. 3 times
- e. 4 times
- f. 5 times
- g. 6 times
- h. 7 times
- i. 8 times
- j. 9 times
- k. 10 times
- l. More than 10 times

**16. In the last two weeks, how often have you visited friends and family at their home? (RU)**

- a. Not once
- b. 1 time
- c. 2 times
- d. 3 times
- e. 4 times
- f. 5 times
- g. 6 times
- h. 7 times
- i. 8 times
- j. 9 times
- k. 10 times
- l. More than 10 times

17. Please indicate which of the statements below you believe is TRUE. You can select more than one option. (RM) [Randomize order of answers]

- a. Smoking increases the risk of severe developing severe symptoms of coronavirus
- b. Flu vaccination increases the risk of catching coronavirus
- c. Children cannot catch coronavirus
- d. The virus that causes COVID-19 was created in a Chinese laboratory
- e. By wearing facemasks, people can reduce transmissions of coronavirus
- f. By wearing gloves when handling of money people can avoid transmission of coronavirus
- g. Coronavirus spreads more easily indoors than outdoors
- h. Bats spread the coronavirus, so we should avoid them
- i. Coronavirus can be transmitted by boxes and packages arriving from other countries where it is present
- j. People who have no symptoms of coronavirus may transmit the virus
- k. There is a cure for the coronavirus: called hydroxychloroquine
- l. The Ministry of Health has already signed contracts with the UK, Russia and China for the production of 400 million doses of Covid-19 vaccine
- m. None of the above

18. Please indicate which of the statements below you believe are TRUE: You can select more than one option. (RM) [Randomize order of answers]

- a. Three judges are expected to retire from the Federal Supreme Court in 2021
- b. In 2020, Sergio Moro resigned from the Ministry of Justice and joined the PSDB party

**The number of cases and deaths on coronavirus in Brazil are overestimated and manufactured by politicians (RU)**

- a. I totally agree
- b. I partially agree
- c. I do not agree or disagree
- d. I partially disagree
- e. I totally disagree

**20. What means do you use to find out about coronavirus? Please select all alternatives that apply (RM) [Randomize order of answers]**

- a. Television news
- b. Newspapers
- c. News sites
- d. WhatsApp
- e. Facebook
- f. Twitter
- g. Other social networks
- h. Listening to my governor on television
- i. Listening to the president of the republic on television
- j. Listening to other politicians on television
- k. Listening to health authorities
- l. Official website of the Ministry of Health / PAHO / WHO
- m. Family doctor / health center
- n. Friends / relatives
- o. Others (indicate)
- p. I do not use in any

**21. Among the media below, which ones do you trust the most to get information about coronavirus? Please choose the 3 most reliable means in your opinion. (RO) [Randomize order of answers]**

- a. Television news
- b. Newspapers
- c. News sites
- d. WhatsApp
- e. Facebook
- f. Twitter
- g. Other social networks
- h. My governor
- i. President Jair Bolsonaro
- j. Scientists
- k. Official website of the Ministry of Health / PAHO / WHO
- l. Family doctor / health center
- m. Friends / relatives
- n. Others (indicate)
- o. I do not trust any

**22. How often do you look for coronavirus-related information? (RU)**

- a. More than once a day
- b. Once a day
- c. From 2 to 3 times a week
- d. Once a week
- e. Once every two weeks
- f. Less than once every two weeks
- g. I never look for such information

- 23. Antonio lives in a neighborhood like yours and works as a street vendor, earning R\$ 1,228 per month. He lives near the workplace and doesn't use public transportation to go to work. He has two children and is the main provider of his family. Last week, he attended to a customer who coughed a lot and didn't wear face coverings. Yesterday, Antonio woke up with a sore throat and fever. Which of these statements do you agree with? You can select more than one option. (RM)**
- a. Antonio must go to work today because he needs to earn a living to support his family
  - b. Antonio can go out to work today as long as he wears a mask and regularly washes his hands or wears gloves
  - c. Antonio should not leave the house except to see a doctor

- f. I have remained employed, but now with a different occupation than I had before

- 30. Before the pandemic (in February 2020), were you an individual microentrepreneur or informal worker?**
- Yes
  - Not
  - Prefer not to say
- 31. Thinking about how much your family typically earned before the pandemic (in February 2020), how much has your monthly home income changed since then? (RU)**
- Fell by more than R \$ 3.200
  - Fell by between R\$ 2,801 and R\$ 3,200
  - Fell by between R\$ 2,401 and R\$ 2,800
  - Fell by between R\$ 2,001 and R\$ 2,400
  - Fell by between R\$ 1,801 and R\$ 2,000
  - Fell by between R\$ 1,601 and R\$ 1,800
  - Fell by between R\$ 1,401 and R\$ 1,600
  - Fell by between R\$ 1,201 and R\$ 1,400
  - Fell by between R\$ 1,001 and R\$ 1,200
  - Fell by between R\$ 801 and R\$ 1,000
  - Fell by between R\$ 601 and R\$ 800
  - Fell by between R\$ 401 and R\$ 600
  - Fell by between R\$ 201 and R\$ 400
  - Fell by between R\$ 1 and R\$ 200
  - It hasn't changed; it's the same
  - Increased by between R\$ 1 and R\$ 200
  - Increased by between R\$ 201 and R\$ 400
  - Increased by between R\$ 401 and R\$ 600
  - Increased by between R\$ 601 and R\$ 800
  - Increased by between R\$ 801 and R\$ 1,000
  - Increased by between R\$ 1,001 and R\$ 1,200
  - Increased by between R\$ 1,201 and R\$ 1,500
  - Increased by more than R \$ 1,500
- 32. During the pandemic have members of your household engaged in the following activities? (RM)**
- Used savings or savings to cover day-to-day consumption
  - Took loans from friends or family
  - Borrowed from banks or other financial institutions

  - None of the above
- 33. Was anyone in your household registered in "Cadastro Único" before February 2020? (RU)**
- Yes, my household was registered in "Cadastro Único" before February 2020
  - No, my household was not registered in "Cadastro Único" before February 2020
  - I don't know
  - Prefer not to say

**34. Have you or anyone living in your home participated in any of the programs below or received any of the social benefits from the Federal Government listed below before February 2020? Select everyone that applies. (RM)**

- a. Programa Bolsa Família
- b. Programa Minha Casa, Minha Vida
- c. Bolsa Verde – Programa de Apoio à Conservação Ambiental
- d. Programa de Erradicação do Trabalho Infantil – PETI
- e. Fomento – Programa de Fomento às Atividades Produtivas Rurais
- f. Carteira do Idoso
- g. Aposentadoria para pessoa de baixa renda
- h. Programa Brasil Carinhoso
- i. Programa de Cisternas
- j. Telefone Popular
- k. Carta Social
- l. Pro Jovem Adolescente
- m. Tarifa Social de Energia Elétrica
- n. Passe Livre para pessoas com deficiência
- o. Isenção de Taxas em Concursos Públicos
- p. I, or someone in my household, received some other social benefit not listed above
- q. No one in my household received any social benefit
- r. I don't know
- s. Prefer not to say

**35. By March 2020, were you or anyone in your household? (RM)**

- a. An Individual Microentrepreneur (MEI) and Individual Social Security Contributor
- b. An Informal Worker and Individual Social Security Contributor
- c. Unemployed, without receiving unemployment insurance
- d. None of the above applies to me or anyone in my household

**36. Are you or anybody who lives in your household entitled to receive “Auxílio Emergencial”? (RU)**

- a. Yes, we're entitled
- b. We are not entitled, our application was not approved
- c. We are not entitled, we did not apply
- d. I don't know

**37. If you or someone in your household applied for “Auxílio Emergencial”, when did you do so? (RU)**

- a. We applied in April 2020
- b. We applied in May 2020
- c. We applied in June 2020
- d. We applied in July 2020
- e. We applied in August 2020
- f. We did not apply for “Auxílio Emergencial” because we are due to receive this benefit automatically
- g. We did not apply for “Auxílio Emergencial” and we do not expect to receive this benefit
- h. None of the above
- i. Prefer not to say

38. **[For all except those who responded, “We did not apply for Auxílio Emergencial and we do not expect to receive this benefit”] Did you or anyone in your household receive the first installment of “Auxílio Emergencial” and when did this occur? (RU)**
- a. We received the first installment in April 2020
  - b. We received the first installment in May 2020
  - c. We received the first installment in June 2020
  - d. We received the first installment in July 2020
  - e. We received the first installment in August 2020
  - f. We haven't received the first installment yet
  - g. None of the above
  - h. Prefer not to say
39. **[For participants who answered P38 except who responded, “We haven't received the first installment yet”] Did you or anyone in your home receive the second installment of “Auxílio Emergencial” and when did this occur? (RU)**
- a. We received the second installment in April 2020
  - b. We received the second installment in May 2020
  - c. We received the second installment in June 2020
  - d. We received the second installment in July 2020
  - e. We received the second installment in August 2020
  - f. We haven't received the second installment yet
  - g. None of the above
  - h. Prefer not to say
40. **[For participants who answered P39 except who responded, “We haven't received the second installment yet”] Did you or anyone in your household receive the third installment of Emergency Aid' and when did it occur? (RU)**
- a. We received the third installment in April 2020
  - b. We received the third installment in May 2020
  - c. We received the third installment in June 2020
  - d. We received the third installment in July 2020
  - e. We received the third installment in August 2020
  - f. We haven't received the third installment yet
  - g. None of the above options
  - h. I'd rather not say
41. **Suppose there are 100 people similar to you (with the same gender, age and health condition). If all these 100 people contract coronavirus, how many do you think would have severe symptoms or die? (RN)**
42. **Martha is 30 years old. Out of 100 people like Marta, if they contracted the coronavirus, how many do you believe would show severe symptoms or die? (RN)**
43. **Carlos is 65 years old. Out of 100 people like Carlos, if they contracted the coronavirus, how many do you believe would show severe symptoms or die? (RN)**

**44. Please read each statement below and indicate if you experienced this feeling last week. There are no right or wrong answers. Don't spend too much time thinking about each statement. (RM)**
